ERRATUM

December 2017 Volume 59, Issue 12, Supplement 1: Erratum

All articles of the December 2017 supplement are Open Access articles and works of the government. The following paragraph should be included in the footnote of the first page of each article:

Written work prepared by employees of the Federal Government as part of their official duties is, under the U.S. Copyright Act, a "work of the United States Government" for which copyright protection under Title 17 of the United States Code is not available. As such, copyright does not extend to the contributions of employees of the Federal Government.

These corrections have been noted in the online version of the article, which is available in the HTML and PDF versions of this article on the journal’s Web site (www.joem.org).
